**There are 7 Mountains of Influence in every culture**

**These 7 mountains are:**

- **Religion** (Where people either worship God in "Spirit and Truth" or settle for religious rituals)
- **Government & Law** (Where Evil is either Restrained or Endorsed)
- **Arts & Entertainment** (Where Values and Virtues are either celebrated or distorted)
- **Education** (Where either Truth or lies about God and His Creation are taught)
- **Economy** (Where people build either for the Glory of God or the glory of man)
- **Media** (Where events, news and information are interpreted and passed on people through the lens of either good or evil)
- **Family** (Where Generational Blessings or Curses are passed on to our children)

**These 7 Mountains of Society influence the thoughts & values of any culture anywhere on earth!**

**For us to truly fulfill the Great Commission we need to:**

1. discover which sphere God is calling us to influence
2. invade that sphere through prayer and possibly our involvement
3. demonstrate God's excellence
4. release His Truth and Blessing
5. see God's Kingdom Come!

**Let's start today by praying for Jerome, in each of these areas!**

Each one of the 7 "mountains" has been assigned to a day of the week, and each day has 1 or 2 specific things on which to focus our prayer. The mountains are listed below. Pray specifically, and as the Holy Spirit leads you. Thank you for joining many, many other intercessors across Jerome in focused and unified prayer for our city!
